

Typical Scenes As Norwood Battled Record 2 Ft. Snowfall

IMPASSABLE — Early morning risers on Saturday found the sidewalks along Washington street unpassable in some sections and had to walk in the street which had been plowed. This scene is on Washington street across from St. Catherine's School. (McLean Photo).

SNOW DELIVERY — When the Messenger cameraman saw this mail truck moving along Guild street, he thought that maybe a special delivery of snow was being made until he realized that everyone had more than enough on hand.

NO SCHOOL TODAY — Of course all school sessions were cancelled last Friday after the blizzard buried buses and cars alike. The school buses in the yard of Sansone Motors were completely covered. (McLean Photo).
