

Four Homers For Norwood In 10-8 Win Over Dedham

Three-Run Blast In Fifth By Angelo Spells Victory

By FRANK WALL

Trailing 5-0 in the first inning, Norwood High's baseball team came off the ground in a game against Dedham on Tuesday to blast out four home runs and defeat the visiting Shiretowners, 10-8.

Rick Holmes, benched because of a hitting slump, was inserted back into the lineup and he connected for two more run-trippers. Paul Angelo blasted a three-run circuit clout in the 5th which brought Norwood up from an 8-7 deficit to a 10-8 lead, which they held the last two innings. It was a far cry from the first Norwood-Dedham game in which Charley Hopkins and Dedham pitcher Jim Hampe were locked in a 1-1 pitching duel, with Dedham eking out a 2-1 win. But Tuesday the locals had their home runs and treated Hampe rather

roughly as they banged out 10 hits. Hopkins pitched a good game but he was a little wild and Blaine Maus came in to slam the door in the last two innings and give Norwood the win.

Dedham jumped out to a 5-0 lead in the first inning on only two hits, with Paul Chambers getting the key hit in the inning, a three-run triple. In the second, Rick Holmes led off and blasted it far over the leftfield fence for Norwood's first run. In the third, the Jacquemess went ahead as they bombed in five runs. Richey Heberner opened the inning by walking Richey Santospago then singled. Then up stepped Charley Hopkins and he wasted no time as he belted it far over the leftfield stands and Norwood had the game lead. Jimmy Sweeney then walked and Holmes came up again. Richey connected for the second consecutive time as he blasted it to deep center far over the centerfielder's head and Norwood had a 6-0 lead. Norwood made it 7-5 in the fourth as Hopkins singled in Heberner, who had previously walked—and

EXTRA BASES

Richey Heberner was walked three times and singled as the Dedham pitchers wanted no part of him. Charley Hopkins almost matched Holmes with another long blast to right in the 6th which was caught against the stands. The win was the second of the year for Maus. Jack Lanzoni pilfered two more bases and had two hits as did Santospago, Holmes and Hopkins. Frank Delah had two of the four Dedham hits. Hampe started off like the last game as he led the first two batters. But the first hit of the game for the locals was Holmes' round-tripper and this seemed to perk the team up

Two Records Broken . . .

Norwood High Finally Tops Natick In Track

By DONALD ANASTASIA

For the first time ever, the Norwood High School track team has beaten Natick in a dual meet. Norwood's 77 to 54 win was only Natick's second loss in its last 63 outdoor meets.

The meet was very close and excitement ran through the large crowd of spectators as two Norwood records were broken. The first new mark came in the 800 where Brad Ritchie's time of 2:02.3 erased Joe Maloney's record of 2:03.5 set only a week ago. Dave De-

vine ran second for Norwood and also broke the old record with a fine time of 2:02.7. The second new record, the ninth in the last six meets, came in the two mile when Brad Bedar had to run his best to defeat a determined Mike Anastasia of Natick. Brad's time was 10:16.4 against Natick's 10:17.3, and John Baker's, third place winner for Norwood, 10:20.

The hurdles were also broken by the outstanding Natick athletes. State medalist Paul Robinson won the low hurdles with Norwood's Chris Effertz right behind him. Walter Johnson won the high hurdle, closely pursued by Mike Sullivan and Gene Ostergren of Norwood.

In the 100, Jim Robertson ran another fine time of 10.6 to win. Tom Bressette went all out in the last 25 yards to take a good second for Norwood.

The 220 was won by Andy Howard who had recovered from a muscle pull only to injure his leg again. Natick took second and third on a disputed call involving Norwood's Jim Donovan.

The 440 was won by Norwood's Joe Maloney, once again in the league's best time. Dave Lennox was third.

The mile was won by Paul LeMarble of Natick in the best time of the year, 4:31.5. Mike Snellgrove ran the race of 4:37.7 to take the second for Norwood. Bernie Cornelia ran a strong race of 4:46, but only took fourth for his efforts.

The javelin was one of Norwood's best events with Bill Lindbom winning with the league's best throw of 166'7". John Pesta took second for Norwood.

The discus was an upset for Norwood when Jack Machado beat the favored John Thompson of Natick. Fran Macaulay won third place for Norwood. Norwood didn't fair too well in two of the field events. In the shot put Ed Czryza had a good put of 43'9", but only took third in the broad jump. Gene Ostergren placed second for the only Norwood points.

The pole vault was a tie for first between Dave Thomas and Steve Raider of Natick. The high jump was won by Chris Effertz with Joe Ma-

SPORTS SLANTS

By FRANK WALL

Hail the champs at Norwood High! The Track Team has the biggest match in the history of the school by upsetting highly favored Braintree last week, and on Wednesday stamped Milton to win the Bay State Championship. For three years the crown has just eluded the Local team but they came off the floor for the big win against Braintree. Some of us don't actually know what a track meet consists of as the fans are few at these meets. There are 15 events consisting of various running events including dashes, the mile, two-mile, 440 and 880, and then you have the field events: shot put, discus, broad jump, etc. The team has a marvelous year's record as they have dropped only two meets in the season, which includes the Cross Country in the fall, the indoor track in winter, and the outdoor track in summer. To go undefeated in the Bay State League in any sport is a tremendous accomplishment, so a tip of the hat to the Norwood High track team. Who are the stars of this team? Well, according to Coach Fred Richardson, in his third year the hill in track (the coached basketball seven years previous to this) they're all great kids and the team spirit is remarkable. You have Joe Maloney, who broke the league record in the 440 against Braintree and also against the relay, then there's Mike Snellgrove, in the mile who has only lost one meet this year and that was to Art Dulong, the great from Randolph. There are many outstanding members on this team and they certainly deserve a mention . . .

Sieve Faziokas, Ed Cyryca, Bernie Cornelia, Jack Flaherty, Jim Murphy, Brad Bedar, Andy Howard, Jim Donovan, Pete O'Bierne, Jim O'Berston, Steve Herрман, Chris Effertz, Ted Mylar, Mike Sullivan, Gene Ostergren, Tom Bressette, Dave Lenox, Brad Ritchie, Dave Grudinski, Dave Thomas, Bill Lindbom, Dave Paulman, Tom Heckman, John Pesta, Fran Macaulay, and Jack Machado. After the big win over Braintree, Coach Richardson was given lift to the showers so elated were the boys. Indeed they had a right to be for they can leave the school for the glory of Norwood High with the memory of being a part of the first championship track team at the school on the hill.

Who were the best ball players from the years 1930 through '39 at Norwood High? There were many real great ones and to pick an all-time team in this era is certainly a chore. This was before our time, so to pick the team we consulted with several players in these years and also chatted with the greatest fans who saw all these boys in action but who wishes to remain anonymous. Here's the team behind the plate it's "Bud" S a t t l e r (1932); on the mound we went for three in the great Charley Bowles (1925), John Christmas (1930), and Tom Thornton (1937), first base Joe Dixon (1934), and at second "Bud" McFerman (1932). At shortstop the nod goes to George Bader (1933), and at the hot corner it was a tossup between Joe (Jiggs) Fenlon (1935), and Bill (Hack) Donnan (1938). In the outfield it is Bill (Boss) Welch (1935), Yero Zlatkovsk (1932), and

er certainly put on a great display at Spring Valley Tuesday with his record performance. Mark Sullivan, Norwood High golf star, had the biggest thrill of his young life as he was the caddy for Palmer for the full 18 holes. Mark says of Palmer: "he's just the greatest". Sullivan who has always admired Palmer and rarely missed a chance to see him on his many T.V. appearances, has a record of every major tourney Arnie has ever won in, and you can imagine the thrill for him when he got the assignment to caddy for the great one. Palmer has a great sense of humor, signs all autographs, and chats with the gallery.

Tongue Twister — Norwood High outfielder Richey Holmes belted back-to-back home runs in Norwood's win over Dedham Tuesday at Norwood's home field. It was Holmes' third home run in his third home game which he started for the home team. After that, we had better head for home, so have a good Memorial Day, and remember, the safest place is at home on a holiday.
