Norwood Nitros On Short End Twice

The Nitros lost two tough ball games over the weekend, 6-5 to Walpole Prison, and 8-6 to Westwood. On Sunday at the prison, Mike Seery lost a well-pitched ball game on a three and two out single. On Monday, it was Westwood that spoiled the holiday celebration by holding off the come-from-behind efforts of the Nitros.
Sunday's game saw Mike Seery set the Prison down in order over the first two innings. In the third, however, a walk and two singles loaded the bases. A triple cleared them, and a wild pitch cleared the bases. The Nitros got one back in the fourth as Gormley singled and Murray forced him at second. Murray stole second and came in on Anello's ground ball that was booted by the first baseman. The score at the end of four was Walpole 4, Norwood 1. Seery led off the fifth with a single and advanced to second on Joe Smith's grounder

to short. Centerfielder Rich Graham scored him by lacing the first pitch to center for a single. Seery set down the Prisoners in the fifth and in the top of the sixth the Nitros took the lead. Jim Gormley led off with his third single of the game. John Murray, the young catcher, also singled. With one out, Vito Anello hit a high fastball over the left fielder's head that rolled over 440 feet for a tremendous homerun. The Nitros now led 5-1. In the bottom of the sixth the lead-off batter walked for Walpole and stole second. He scored on a single to left that

ruled the game. Seery then bore down to strike out the next two batters. Then, with a three and two count and two out, the next batter looped a single to center to give the Prisoners a victory.
On Monday it looked as though the Nitros were off and running as Mike Carney, Nitro leadoff batter, lined a home run to start the scoring. Jim Gormley was then hit by a pitch and Larry Newman walked. Mike Crimmins stepped to the plate and almost decapitated the Westwood first baseman with a line drive to right scoring Gormley. On this play the Nitros suffered a severe blow as Larry Newman rounded second and collapsed in pain. The torn ligaments that had sidelined him for the last six weeks were re-injured and he

was forced to leave the game. Pete Larpan set Westwood down in the first and second but in the third Colli led off with a double and Dean was hit by a pitch. An infield error loaded the bases and Baker singled, scoring two. North popped out but walks to Turman and Foia, plus a single by Cerro, made the score 5-3 in favor of Westwood. Dick Bowles then came in to replace Larson and got out of the inning without further scoring. The Nitros went out in order in the third and fourth.
Westwood got two more in the fourth on a walk, a single by Baker, a ground out, a wild pitch and a passed ball. In the sixth, Westwood scored again on Baker's third hit and singles by North and Turner. The Nitros refused to give to Turman and Foia, plus a pitch and a passed ball.
