THE KING—Eddie Feighner is the "king" of "King and His Court" as he comes around for the delivery of his "fast raise pitch." As fast as ever—it continues to boffle the best of hitters. On Friday, August 13, 6:15 p.m. at Norwood Senior High School Field, the Knights of Columbus Council No. 252, 1964 K of C ASA Greater Boston champs, will test his fast ball on behalf of muscular dystrophy victims. In the past ninsteen years, the king, with only three other players facing nine-man teams has pitched over 3300 games and won over 3000 of them. 140 of the victories were perfect games. The funds raised will aid Norfolk County Chapter's research and patient service program.
